**ORDER**

People of MI v Lamont Edmund Reeves Jr

Docket No. 317060

LC No. 12-241937-FH

---

The Court orders that the motion to remand pursuant to MCR 7.211(C)(1) is DENIED. Defendant-appellant has not shown that further factual development of the record is appropriate when his proposed expansion of the record with regard to the actual information that the jury might have improperly been exposed to during deliberations appears to be based on speculation only.
